

UNIVERSITY *of* NORTH FLORIDA[®]

Commencement

Friday, May 3, 2024

UNF Arena

*University of North Florida
Jacksonville, Florida*

MISSION STATEMENT

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

VISION STATEMENT

The University of North Florida will be the destination of choice for talent and for public and private investment.

VALUES

Accountability, Integrity, Excellence, Civility, Culture of Care

STATEMENT OF UNITY

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the University's core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF's unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.

GREETINGS FROM THE PRESIDENT

Dear Graduates:

Congratulations! Your hard work has paid off, and I wish you the very best as you celebrate this special day with your fellow graduates, loved ones and the entire Osprey community.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that opens the door to the next chapter of your life. You have earned your place in this graduating class, and we can't wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.
President

President Moez Limayem

PRESIDENT'S STAFF

Karen Patterson, *Provost and Vice President of Academic and Student Affairs*
Scott Bennett, *Vice President of Administration and Finance*

Paul McElroy, *Trustee*
Steve Moore, *Trustee*
Nikul (Nik) Patel, *Trustee*

TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities	White
Business	Light brown
Computer Science	Gold
Economics	Copper
Education	Light blue
Engineering	Orange
Fine Arts	Deep brown
Health	Sage
Law	Purple
Library Science	Lemon yellow
Medicine	Kelly green
Music	Pink
Nursing	Apricot
Philosophy	Dark blue
Public Administration	Peacock blue
Public Health	Salmon
Science	Golden yellow
Theology	Scarlet

THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,000 students enrolled in 68 undergraduate degrees with 81 areas of concentration, 45 master's degrees with 98 concentrations, and 6 doctoral degrees with 3 concentrations. It has nearly 600 faculty members and more than 1,100 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300¹ bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction. The faculty's publications and other creative activities demonstrate a determination to

remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

1- Degrees are for the 2023-2024 Academic Year

2024 SPRING COMMENCEMENT CEREMONY

**Please rise as the Processional begins and remain standing throughout the National Anthem.*

***Please refrain from applause until all degree candidates have been presented.*

****Please stand throughout the Recessional.*

COMMENCEMENT PROTOCOL

This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.

SPRING 2024 SENIOR SERVICE AWARD

The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Armani Brunson as the recipient of the Senior Service Award for the Spring 2024 graduating class.

Armani Brunson

Brunson is a first-generation college student graduating from UNF's College of Education and Human Services (COEHS) with a Bachelor of Arts in Early Childhood Education and a minor in Psychology. She received a full scholarship as an Urban Education Scholar and consistently made the Dean's List throughout her academic journey. During her time on campus, Brunson exemplified UNF's commitment to civic engagement and servant-leadership through her continued involvement in guiding her fellow students to success and lending a helping hand to the Jacksonville community. She is also a recipient of the 2024 Osprey Community Engagement Medallion for her commitment to volunteerism in the greater Jacksonville community.

Showing a natural acclimation to lead, Brunson was ambitious in leaving her mark on UNF's culture. As a member of the UNF Presidential Envoys, Brunson served as the vice president of recruitment, planning and executing events that engaged the student body to recruit new members. She proudly represented the UNF student body and the Office of the President at University events and across campus.

She spreads an influence of positivity across numerous on-campus organizations as president of the Mu Theta Chapter of the Alpha Kappa Alpha Sorority, president and chair of the Executive Committee in the UNF Chapter of the NAACP, second vice president for the National Pan-Hellenic Council, and ambassador roles for both COEHS and the Office of Fraternity and Sorority Life.

Brunson showed initiative by hosting several community service projects for student participation. She organized an education cleanup effort at the Frederick and Ophelia Tate Ogier Gardens on campus, where students learned the impact and value of nutrition, sustainable crops and biodiversity. She led her sorority and other Greek Life members in hosting a food drive on campus benefiting the Lend-A-Wing Pantry, an on-campus resource combatting food insecurity by providing free food, hygiene items, and school supplies for students in need. Brunson also coordinated and led students in reconstructing the UNF Preschool's Garden.

During the summer of 2022, Brunson served as a First-Year Experience mentor and helped incoming First Time in College (FTIC) and transfer students acclimate to life on campus as a resource and role model for her fellow Ospreys, helping in the matriculation of the largest freshman class in UNF history. For her commitment to excellence and creating a welcoming environment, the University recognized Brunson as Orientation Leader of the Year. Brunson used this experience again during the 2024 Homecoming season by volunteering with the Black Alumni Association to provide campus tours for high school students from Duval County, providing guidance, testimonials and scholarship resources to prospective students. Brunson was awarded the Notable Undergraduate Award by the Black Alumni Association.

Brunson believes student leadership does not stop on UNF's campus and prioritizes giving back to the Jacksonville community through service. She spent many hours volunteering at local organizations such as Wolfson Children's Hospital and Ronald McDonald House, where she provided emotional support and fun activities for children being treated for serious medical conditions and transitioning into the post-treatment facility. She also helped feed the homeless population at Clara White Mission and City Rescue Mission, as well as assisted in dropping off donations for victims of domestic violence at Jacksonville Hubbard House.

This fall, Brunson will begin her graduate studies at Florida State University in pursuit of a Master of Science in Human Development and Family Sciences. She aspires to become a child life specialist, a role that would allow her to help children and families navigate illness, injury and other major life events. She has a passion for providing children and families with the resources needed to live, thrive and succeed. Brunson is a driven, dedicated and thoughtful changemaker who will harness her extraordinary sense of leadership to transform the lives of others for years to come. We are proud to call her an Osprey alumna.

CARING AWARD

Isaiah Dorado

Graduate student Isaiah Dorado and assistant resident life coordinator for UNF Housing and Residence Life, is a proud Osprey graduating with a Master of Science in Criminal Justice.

A first-generation student, he graduated with a Bachelor of Arts in criminal justice in spring 2022, with a dual minor in business management and leadership.

As a co-recipient of the Caring Award, Dorado credits his mentor Dr. Mark Dawkins, who also nominated him for the award, for his influence and encouragement over the years.

He was a member of the inaugural edition of UNF's College Tour episode, that promotes all aspects of college and campus life, from housing to research and study abroad opportunities.

Dorado has been an active member of several clubs and organizations including the Criminology and Criminal Justice Club, a member of the Pi Omega Chapter of the Alpha Phi Sigma Criminal Justice Honor Society at UNF, and the founding member of the Brotherhood at UNF, an organization that promotes the success of minority men professionally, personally and academically. The Mulberry, Florida native plans to enter the criminal justice field and later teach at this former high school to trailblaze a criminal justice academy. In his free time, he enjoys traveling, reading and exercising.

Teleauba Revels

Teleauba Revels, a Bachelor of Social Work graduate, serves as a beacon of hope and embodies the values of empathy, resilience and integrity. Born out of personal challenges and triumphs, her journey epitomizes the transformative power of courage, perseverance and dedication to making a difference in her life and the lives of others.

The proud Osprey credits the faculty and administration for providing her with invaluable guidance, assistance and mentorship both inside and out of the classroom.

Earlier this year, she attended the Legislative Education and Advocacy Day (LEAD) at the state Capitol in Tallahassee and advocated for policies that reflect the National Association of Social Worker's Code of Ethics.

Driven by her genuine desire to give back, Revels has devoted countless volunteer hours to organizations such as the Northeast Florida Healthy Start Coalition and others. Nominated by Dr. Jasmine Haynes for the Caring Award, the co-recipient said she is grateful to know her community service and volunteerism has had an uplifting and empowering impact on people in her community.

Since her junior year at UNF, Revels has served as BSW representative on the Student Advisory Council. Looking ahead, she is eager to begin the Advanced Standing Master of Social Work Program at UNF this summer.

*Recipient of the Dr. Crystal Makowski Award

The Dr. Crystal Makowski Award is presented each year to an On Campus Transition Program student who has demonstrated determination, commitment, and the utmost perseverance to being the best they can be in the program. Dr. Makowski has long been a supporter of education and people

with intellectual and developmental differences. As one of the former leaders of the On Campus Transition Program, her desire to see our students succeed never wavered. We are thankful for her many contributions, and for her continued support of OCT, The Arc Jacksonville, and UNF.

Association President	Patrice Abner – Alumni Association

CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at www.unf.edu/alumni. While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

Stay connected ... and keep on swooping!

UNF ALMA MATER

Music adapted by Dr. William C. Moffit

Words by Dr. Merrill J. Palmer

VERSE:

We recall those days of gladness,
Nestled midst the lakes and pine,
Where we sought the gift of knowledge,
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,
Let them ring from sea to sea!
North Florida we proudly honor,
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,
Where the Osprey soars on high,
Stands our Alma Mater strong and true,
With her colors gray and blue.

REPEAT REFRAIN
